Troubleshooting

Problem	Solution
Won't turn on.	Please charge the Music Eyemask
Can't find the music eyemask	Confirm the music eyemask is in pairing status and within 15 meters of the device.
Can't install the driver for Music Eyemask on a computer.	Update the driver of the Bluetooth module on your computer.

The sound quality is intermittent in Bluetooth mode.	Disable the Wi-Fi on your source device.
No sound.	Check the volume on both the source device and the Music Eyemask
The earphones do not align with my ears.	Wear the eyemask so that the left side earphone is where you want it, then carefully move the right earphone within the eyemask to where it needs to go by gently pressing and squeezing along an edge of the earphone.
